## NEWS FROM THE DEPARTMENTS AND CHURCHES OF THE ASSOCIATION

---

### VISITING CHURCHES IN THE SOUTH

On July 14, there was a time of fellowship for pastors of the Association's churches of the south region. This region includes eight churches located in Los Angeles, Orange County, and San Diego. From the standpoint of the missionary ministry, this is an extremely important region in ministering to the Russian-speaking population in California.

The meeting of ministers took place in a church at Montebello, where V. O. Konopelkin is the head pastor. Information about the event and what was discussed there is described by the Association's president, I. V. Mileyev- [read his article on the Association's website \(in Russian only.\)](#)

### «SEXUALITY IN LIGHT OF GOD'S WORD» - CONFERENCE AT «WORD OF TRUTH» CHURCH

Today we live in an insane world where everyone is crazy about sex , which has become the main driving force that determines almost all of the factors of life: diet, clothing, behavior, conversations, leisure, relationships, theology, worship, etc. People today are consumed by the insatiableness of adultery, pornography, self-pleasure, reading or

watching romances, and all other forms of defilement. It seems that the modern society is out of its mind.

Despite the fact that humans are sexual beings, Christians began to accept it apart from the revelation of God. They see it through the prism of this fallible world, which always suppresses the truth of God with a lie. It is because of that, many Christians in talking about sex, think of it as lust, passion, promiscuity, corruption, and much more. But what does God Himself has to say about it in the Bible?

The conference at "Word of Life" Church covers this topic. [Read about it on the website - click here \(in Russian only.\)](#)

### BAPTISM AT "CHOOSE LIFE" CHURCH

"Choose Life" Church in Oceanside, CA, had a baptism on Saturday, July 21 of seven people! Someone might say "So what? I don't even know what church it is, and where it is located, why should I care that someone was baptized there?"

If you are one of those wondering, we want to inform you specifically that it is a small young church located in the south of California and is a part of the Association. It is full of very hospitable and pleasant people, who are welcoming of all the visitors. You need to watch a video about this church, the history of its formation, about its ministry, and rejoice that this church is growing and new people are joining it. If you are a Christian, pray about its growth and that the Gospel will spread to all the Russian-speaking people in the region.

For photos and video of the baptism see [website page - click here](#). Other church histories [may be found here](#).

### NEW DECISIONS OF "HOUSE OF PRAYER" CHURCH

This month, a group from our church flew to Ukraine to help in the children's camps. Our church decided to send these groups more frequently in other countries for the preaching of the Gospel.

We also made a decision to visit small churches of our Association. On July 22, we visited the branch of First Slavic Baptist Church of Sacramento on Franklin. These visits serve to support strengthen faith and helps believers to know each other better. If there are churches that wish to join us in the mutual ministry of visitations, please let the pastor of our church know. We will gladly visit you, and perhaps, you will visit us also, - we will be glad to have you.

Leonid Bezinskiy, head of the missionary ministry,

## IN FOCUS – SPECIAL FAMILY

«Special family» is a family that has members with handicaps... How is it different from other families? What do the parents of such a child experience? How do people from “normal” families treat them?

Natalya and Viktor Smolikov who head the ministry to children with special needs discuss these and other topics. Knowing the problems of “special needs” not just by hearsay, but also from first-hand experience, and being at the seminar organized by the ministry of Jonny Erickson-Tada, they are trying to inform the Slavic community about this oftentimes hidden, special world, in which God places members of “special families”. ## WE ARE IN SPAIN!

They were even visited by the missionary guests from Ukraine and the States. [Read Alik's first letter from Spain \(click here\)](#) and pray for successful completion of all the necessary paperwork for their residency and for success in their ministry.

## **NEWS FROM VARIOUS PLACES**

---

### **CAMBODIA - ONE MORE TRIP**

Yevgeniy Evva, a missionary from Ukraine, whose letters we frequently publish in our news, recently visited Cambodia again for better study of the place of future missionary ministry. And he absolutely wasn't ready to the reception he and his companions received from local Muslims. [Please read his letter here - in Russian only.](#)

### **THEY WERE FIRST**

Immigrants... first refugees of the third wave of immigration... Who were they? Why have they fled to the USA? How were they able to escape a country with "an iron curtain"?

Every family of these immigrants had their own story, their concerns, and now, only the memories of them. A little more time will pass, all of this will be forgotten, and the new generation born in this country will forget the severe trials, which their Christian parents went through. But these stories have so many useful lessons for the future generations!

In order to preserve at least some of these stories, there is a section on the Association's website titled "Our Story" -- They Were First, in which the stories of the first immigrants of the third wave of immigration will be published. The first of these stories is a story of K. Bondar's family. [Read about it here.](#)

If you know people whose stories are interesting and instructive, please let us know (email: [pcsBaca@gmail.com](mailto:pcsBaca@gmail.com)), and we will try to take their interview, and share their story.
