HELP US KEEP SHINING THE LIGHT OF THE GOSPEL

[DONATE NOW](#)

Dear friends,

I am writing to you with an urgent request for help. On Friday, an unexpected disaster struck the Church Without Walls (CWW) building in Moldova which serves as the base for our School Without Walls (SWW) operations and outreach in the region. After two days of heavy snowfall, during which a state of emergency was declared in the country's capital, the roof of the CWW building collapsed under two feet of snow on Friday afternoon. Praise God no one was injured!

However, the building is in complete disrepair and the entire roof was destroyed, as you can

see in the pictures. Our Moldovan School Without Walls leaders and national staff estimate it will cost around \$50,000 to reinforce the walls of the building and replace the roof. This is a dire emergency. The Church Without Walls building serves as a place of weekly worship for more than 100 people and the base of our SWW operations in Moldova. Out of this building we are training and equipping our SWW students, and from this building our Next Generation leaders are conducting outreach to children and youth and ministry to victims of human trafficking in Moldova, one of the poorest countries in Europe.

On Sunday, the CWW congregation gathered amid the rubble and conducted their worship service outside in the cold. Our staff in Moldova conveyed to us their most urgent desire to continue ministry in the region. But right now there is uncertainty about where they will meet and how their programs will continue without a building. We are seeking to raise funds quickly for the reconstruction of the Church Without Walls building so that the ministry efforts of our Next Generation leaders in the region can go forward: reaching, serving, and transforming Moldova—and the rest of Eurasia—with the gospel message.

Please consider how you can help us meet this critical need for our young leaders and their gospel ministry in Moldova. We are seeking to raise funds for the \$50,000 cost of repair and reconstruction, and I earnestly ask for your prayers and support during this time. Please share this need on social media with your friends and family. **And please consider how you can help provide a roof for the Church Without Walls.**

To give a gift to this ministry, please choose “Moldova: Emergency Church Construction” on

Church Without Walls gathers for worship without a roof

our **giving page** or call our office: 630-462-1739.

We know God is good, and He will provide for our needs so that the message of His Kingdom will continue advancing in Moldova and Eurasia.

Gratefully in Him,

Sergey Rakhuba

President
