

## **Merry Christmas: The hope of Christ shines bright!**

Dear Friends,

We want to take a moment to wish you and your family a Merry Christmas. You are a vital part of Mission Eurasia's work, and your support and prayers have helped sustain us through a difficult season...a season still full of many blessings!

We have faced many challenges in 2020. It's been stressful, painful, and even scary, but God has been faithful in providing for our ministry as always and even more than expected this year. Through this tsunami-size global crisis, God has opened doors that otherwise wouldn't have opened. I am humbled to have worked with a team that has helped shine the powerful light of God's love into people's homes and communities, making holes in spiritual darkness and impacting the nations of Eurasia with the gospel – as many as three million more people!

While the pandemic has pushed many of us into days, weeks, and even months of isolation, our field team adjusted, adapted, and found creative approaches to continue carrying out the rescue mission God has given us – a mission to spread the hope of Christ to a lost world. Thankfully, the gospel can never be isolated!

**You, our faithful ministry partners, are a vital part of that mission!** This year, you helped the lost and discouraged receive God's Word,

our Good News prayer guides (Molitvoslov), boxes of food, medicine, warm blankets, encouragement, and so much more. And thanks to your support, our Next Generation leaders are trained, ready, and equipped to spread the gospel – from the most frozen parts of Siberia to the bombed-out neighborhoods of the disputed Nagorno-Karabakh region between Armenia and Azerbaijan.

Thank you for doing your part so that we are able to bring the joy of Christ to so many who are desperate for hope. It's a hope that was fulfilled through the birth of our Savior! If you still want to share more Christmas blessings that shine light into the darkness, please click [here](#).

Merry Christmas!
